

# PITCHING IN SOUTHERN LEAGUE

## SATURDAY EVENING E-NEWSPAPER

Saturday 15 February 2025

# FEELING THE LOVE

The weather may have been wet and gloomy, but the action was hot across all four divisions.

In the Pitching In Southern League Premier South, leaders, Merthyr Town, were held to a 1-1 draw at Wimborne Town and with AFC Totton's clash at Taunton Town postponed, it gave the chasing pack the opportunity to close the gap.

Third-place Gloucester City grabbed the chance with both hands as they beat Winchester City 5-0, whilst Dorchester Town came from behind to get a rare win at Plymouth Parkway thanks to an Olaf Konzsela double in a 2-1 triumph.

Just inside the top five, in-form Walton & Hersham had to settle for a share of the spoils from a 1-1 home draw with Frome Town.

In the Pitching In Southern League Premier Central, Bedford Town remain top following a hard-earned 2-1 win at AFC Sudbury. Second-place AFC Telford United won by the same scoreline against Redditch United.

Kettering Town won our Game of the Day at Stourbridge by three goals to one as Leiston moved into the play-off places following victory over Spalding United.

In the Pitching In Southern League Division One South, leaders, Yate Town, came from behind to win 3-1 at Thatcham Town. Exmouth Town got back into winning ways as they comfortably beat Bashley 3-0 with two more goals from Tom Bath to leapfrog Evesham United, who lost their local derby 1-0 at Malvern Town, who themselves move just outside the play-off zone.

The big winners of the day were Bemerton Heath Harlequins who moved into the top five with an emphatic 7-0 victory over Bristol Manor Farm. Olly Balmer (pictured) helped himself to a hat-trick. One place above them, Mousehole had to settle for a point from a goalless draw at Tavistock AFC.

Over in the Pitching In Southern League Division One Central, it was a good day for leaders, Real Bedford as not only did they beat Enfield 3-1, but they also saw Berkhamsted concede a late equaliser to draw 1-1 with Barton Rovers, who sit fifth.

Hadley had a comfortable 4-0 victory over Northwood to strengthen their position within the play-off places as Flackwell Heath were without a game.

# PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH

## **Gloucester City 5 Winchester City 0**

It was a positive start for the home side as Harry Pinchard gave them an early lead and it wasn't long before Kieran Phillips doubled the lead.

The third goal arrived before half-an-hour had even been played as Brandon Smalley added his name to the scoresheet.

An own goal from Alex Wilkie further increased the hosts' lead early in the second period before a late Dayle Grubb goal made it a five-star showing from the hosts.

## **Hanwell Town 2 Havant & Waterlooville 2**

The deadlock was finally broken just before the hour-mark when Leon Maloney struck for the away team from the penalty spot. Moments later, Ryan Seager doubled the advantage as the leading scorer added to his tally for the visitors.

A goal from Harry Seabrook reduced the arrears with just under 20 minutes to go and then Dan Carr was able to drive home a late equaliser as it ended with the spoils shared.

## **Hungerford Town 2 Basingstoke Town 1**

A penalty from Louis McGrory put the hosts in front in the opening exchanges and then Luke Softley doubled the lead with around quarter-of-an-hour to go.

James Clarke's goal for the visitors proved to be too little, too late as it arrived deep in stoppage time.

## **Marlow 1 Gosport Borough 2**

The away team went ahead on 37 minutes when Dan Wooden was able to find the net but the lead was cancelled out by Mitchell Parker early in the second period.

Late drama saw Alfie Stanley nick it in stoppage time for the visitors.

## **Plymouth Parkway 1 Dorchester Town 2**

After a goalless first half, the deadlock was broken seven minutes into the second half when Tom Dean gave the hosts the lead.

Midway through the second period and Olaf Konzsela was able to level the scores and then he put the away team ahead with a second goal as they claimed a hard-earned triumph.

# PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH

## **Poole Town 0 Tiverton Town 1**

The visitors took an early lead courtesy of Niall Thompson and they were able to hold on to their lead for the remainder of the game.

A red card for Josh Staunton for the hosts completed a disappointing day.

## **Sholing 3 Chertsey Town 0**

There were ten minutes on the clock when Michael Folivi put the hosts in front from the penalty spot and then a late strike from Brad Targett put the home team in command.

A late red card for Wayne Ridgley compounded the visitors' misery as they then conceded a stoppage time third to Folivi.

## **Swindon Supermarine 1 Bracknell Town 2**

Five minutes from the interval, Harry Williams set the home team on their way with the opening goal, but it was cancelled out by Dan Roberts with 74 minutes on the clock.

A stoppage time strike from Joel Rollinson proved to be the winner for the away team.

## **Walton & Hersham 1 Frome Town 1**

It was the visitors who edged in front with a goal from Callum Gould on the hour-mark but Johl Powell was cool to score from the penalty spot with 15 minutes to go.

That's how it remained with both sides taking a share of the spoils.

## **Wimborne Town 1 Merthyr Town 1**

The deadlock was broken in stoppage time at the end of the opening period through Cawley Cox.

The scores were levelled just past the hour-mark when Harry Morgan was able to beat the 'keeper and after that, neither team was able to take the initiative and so honours were even.

# PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL

## AFC Sudbury 1 Bedford Town 2

The first talking point came with around ten minutes to go until half-time when Charlie Lewis was dismissed for the home side.

The hosts' resistance was finally broken just past the hour-mark when Ryan Blake found the net and then on 82 minutes Lewis Green sealed the victory despite Oliver Peters pulling a goal back late on.

## AFC Telford United 2 Redditch United 1

Matt Stenson set the home team on their way with a goal midway through the first half before doubling the lead early in the second half.

A goal from Jack Kelly made it 2-1 to set up an exciting final 20 minutes as the hosts were able to hold on to their lead and all three points.

## Banbury United 0 Biggleswade Town 2

There was joy for the visitors as Daniel Izekor gave them the lead within the opening exchanges and the same player was able to double the lead on the stroke of half-time.

The day got worse for the home side when Alex Prosser was sent off for a second yellow card ten minutes into the second period.

## Barwell 2 Stratford Town 1

The home side got their noses in front with eight minutes on the clock when Ashley Chambers found the net.

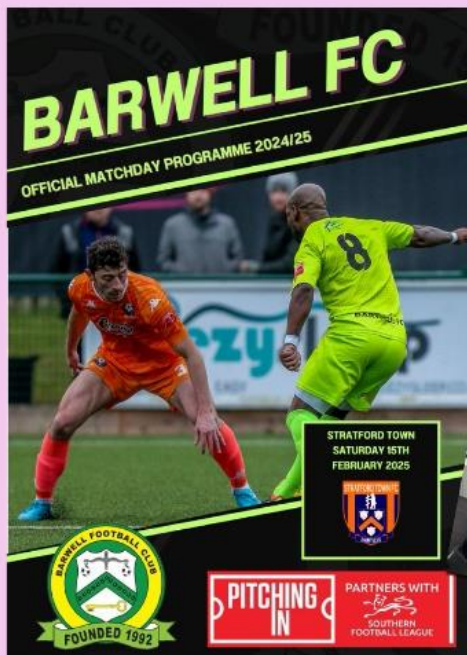

Tyrell Waite didn't wait long after the restart to fire home the second goal for the hosts but the visitors grabbed a 66th minute lifeline as Lewis Ludford-Ison was able to reduce the deficit but the home side stayed firm to take the win.

## Halesowen Town 2 Alvechurch 2

The home side seized the initiative just past the 20-minute mark when Conor Tee gave them the lead and soon afterwards, Kieren Donnelly weighed in with a second goal.

The visitors were able to reduce the arrears early in the second period when Dan Sweeney found the net and the momentum took them to a leveller soon afterwards through the experienced Krystian Pearce.

It was to end with the spoils shared here before a crowd of almost 1,000.

# PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL

## Leiston 2 Spalding United 1

The hosts took the lead when Jamar Loza found the net on 21 minutes and they were able to double the advantage through George Quantrell as half-time loomed. Just before the hour and Sam Cartwright gave the away team a lifeline by pulling a goal back but it was to prove to be too little, too late.

## Lowestoft Town 2 Hitchin Town 1

After a goalless opening period, it was the visitors who took the initiative in the opening exchanges of the second half when Luke Stokoe found the net from the penalty spot.

A penalty at the other end, converted by Harvey Sayer, made it 1-1 with 20 minutes to go and it wasn't long before Joao Soares Rangel turned the scoreline on its head and that's how it remained.

## Royston Town 0 Bishop's Stortford 0

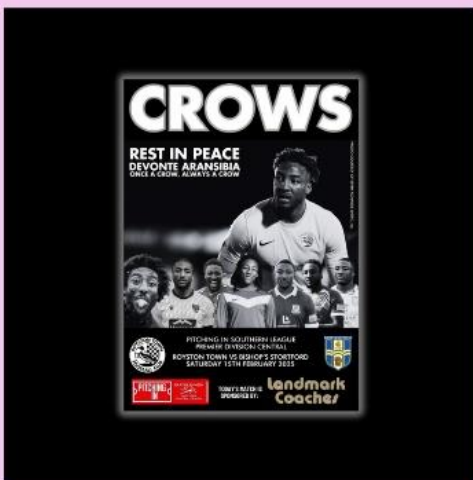

This was a game played in difficult conditions, which saw both sides ultimately cancel each other out as it ended in a goalless stalemate.

## St Ives Town 1 Stamford 1

Lee Shaw was on target to set the visitors on their way with an opening goal on 21 minutes but the home side squared things up through Alex Collard in first half stoppage time and that's how it was to finish as neither side were able to make the breakthrough with a second goal.

## Stourbridge 1 Kettering Town 3

Our Game of the Day went the way of the visitors when Isiah Noel-Williams broke the deadlock just before the half-hour mark. The second period was only five minutes old when Terrell Pennant doubled the advantage for the away team before Jonny Edwards weighed in with a third from the spot to put the visitors firmly in command. A late goal from Richard Batchelor proved to be mere consolation for the hosts.

# PITCHING IN SOUTHERN LEAGUE DIVISION ONE SOUTH

## **Bemerton Heath Harlequins 7 Bristol Manor Farm 0**

Just before the quarter-hour mark, Joe Smith broke the deadlock for the home team and they proceeded to add a second with ten minutes to go until the break thanks to Oliver Balmer.

A third followed as Smith notched his second of the afternoon and Balmer repeated the feat with his second before the interval to make it 4-0.

With 15 minutes to go, Balmer completed his hat-trick and then Kieran Douglas made it six before Owen Pelham hit a seventh goal in stoppage time to give the hosts an emphatic victory.

## **Exmouth Town 3 Bashley 0**

Leading scorer, Tom Bath, was able to add to his tally for the season when he opened the scoring on the quarter-hour mark.

Bath was in full flow as he bagged his second of the game ten minutes later to double the advantage and then Tor Swann rounded things off with a graceful finish late on.

## **Malvern Town 1 Evesham United 0**

The opening period produced very few chances at either end as this local derby searched for a spark to ignite it.

The breakthrough finally came on 66 minutes when Jack Watts gave the home side the lead and in front of a large and vocal crowd, the hosts were able to see the game out to take a big three points.

# PITCHING IN SOUTHERN LEAGUE DIVISION ONE SOUTH

## Melksham Town 2 Larkhall Athletic 1

The home side went ahead on the 20-minute mark after Mark Cooper found the net but it was cancelled out ten minutes later courtesy of Evrard Yao.

There was a red card for Jake Andrews for the hosts just past the half-hour mark, but the ten men were to go ahead on 83 minutes courtesy of a Henry Sady penalty and it proved to be the winner.

## Tavistock AFC 0 Mousehole 0

This was an extremely tight and hard-fought encounter. Both sides went on to create chances to win it in the second half, but defences remained on top as it ended in stalemate with the spoils shared.

## Thatcham Town 1 Yate Town 3

The hosts grabbed the lead here with 25 minutes gone as Josiah Dunstan was in the right place at the right time to score.

A penalty from the experienced Nicholas McCootie with quarter-of-an-hour to go levelled things up here and it stimulated the visitors to go on and take the lead through Ross Stearn.

Things got worse for the home team when Kensley Maloney saw red within the final ten minutes and then King Baidoo crowned the win for the away team with a stoppage time goal.

## Westbury United 2 Didcot Town 2

It was the hosts who went ahead when Bevan Cross was able to guide the ball home in the 11th minute.

However, a Stephen Hulbert own goal levelled matters midway through the second period, but a goal from Jack Witcombe had the home team back ahead with 20 minutes to go.

The closing stages saw Dan Warre pop up to level the scores at 2-2 and that's how it remained with the points shared.

# PITCHING IN SOUTHERN LEAGUE DIVISION ONE CENTRAL

## **Berkhamsted 1 Barton Rovers 1**

This cagey affair swung the way of the hosts in first half stoppage time when Matty Bateman opened the scoring. There was drama in the final minute when Robert Goodman levelled the scores as our Game of the Day ended all square.

## **Biggleswade FC 2 Welwyn Garden City 1**

The in-form Nicholas Ralfe was able to put the away team ahead in the 25th minute but with virtually the last kick of the opening period, the hosts levelled as the ball went in off Brad Wadkins. Just five minutes into the second half, Rafal Wielblad gave the hosts the lead as the scoreline turned on its head and it proved to be the end of the scoring.

## **Hadley 4 Northwood 0**

The hosts went ahead with 30 minutes gone as Caoilan Mcgettigan was able to beat the 'keeper. They were able to double their advantage with time running out when an own goal from Aymen Azaze made it 2-0. Goals from Luke Alfano and Isaac Stones as the clock ran down sealed the win for the home team.

## **Hertford Town 1 Stotfold 1**

It was unlucky 13th minute for the home side as they conceded a penalty which Codi-Lee Spavins was able to convert to put the visitors in front. Parity was restored as the interval approached with a goal from George Devine and that was to be the end of the scoring as it ended level here.

# PITCHING IN SOUTHERN LEAGUE DIVISION ONE CENTRAL

## Kings Langley 1 Aylesbury United 2

As half-time approached, Sonny French was able to put the visitors in front but the equaliser came from Bently Assiedou midway through the second half. The away side soon regained the lead as the ball went into the net off Ben Casey for an own goal and that proved to be the all-important goal.

## North Leigh 0 Beaconsfield Town 2

On the half-hour mark the away team were able to break the deadlock through Eremide Lawal and the second came with just under 20 minutes to go through Manuchim Oke-William, who was able to add to his goal last weekend. There was no further scoring as the visitors went home with all three points following a solid away display.

## Real Bedford 3 Enfield 1

The deadlock was broken on 18 minutes through Drew Richardson as the home side went in front. It became 2-0 just past the half-hour mark as Josh Setchell added to his scoring tally and he was able to notch a second in the opening exchanges of the second half. On 67 minutes, Kieran Southgate was able to reduce the arrears for the visitors but they could not find a way back in it.

## Ware 1 Leverstock Green 1

It was advantage to the visitors as they took the lead on the quarter-hour mark through Guiseppe Delgaudio. The hosts were back on level terms soon afterwards when George Ironton found the net and that proved to be the end of the scoring as it finished in a draw.

# NEWS ROUND-UP

## STOURBRIDGE | LIFE BEGINS

They say that life begins at 40. Well, Tyrone Barnett reaches that age later this year and after the way in which he has started his Stourbridge career, there is plenty for the Glassboys' faithful to look forward to.

His goal in last weekend's 4-1 victory at Biggleswade Town was already his fourth in February in all competitions.

"I am pleased with the way in which I have settled in here," he told us. "As a striker, an early goal or two always helps you settle down regardless of how experienced you are.

"I must say that the Gaffer [Liam McDonald] and the rest of the lads have been a joy. They have welcomed me into the group with open arms. I have been around a lot of dressing rooms in my time but it always makes a massive difference when you are treated so warmly by everyone and that has certainly been the case here.

"I spoke with Batch [Richard Batchelor] initially about coming here and then when I spoke to the Gaffer he could see what I could bring to the team and it all happened pretty quickly after that! I've not looked back since.

"To score four in my last three games has given me a massive boost. As I say, us strikers are judged initially by the amount of goals we score so it's nice to be able to make such a favourable first impression on the fans here and hopefully I can really kick-on from here with them right behind me.

"I feel that I still have a lot to offer as a player; yes, I've got years and years of experience behind me, but the proof of the pudding is in the eating and if I can help this club achieve promotion, that will be fantastic.

"I did it with Leamington last season, so that experience alone will be most beneficial for the challenges that lie ahead over the coming weeks. "You only have to look at the League table and the recent results and it's still very much anyone's for the taking this season. No-one is running away with it and if we can put a run of wins together, who knows?

"Being involved in this really means the world to me; it's my therapy and my pride and joy. To be out there battling for points, you can't beat it. I've still got such passion for the game and that drives me on to continue playing.

"Coming here has given me another new lease of life and I am so determined to do well for the club and also myself. There is a lot of football left in these legs and – hopefully – plenty of goals too!"

The in-form Glassboys played host to Kettering Town this afternoon.

## WALTON & HERSHAM | THE HIGH LIFE

High energy and high intelligence. That's the philosophy of Walton & Hershham manager, Billy Rowley, and it's certainly paying off for his young side.

Tuesday's stoppage time victory at Chertsey Town was their fourth Pitching In Southern League Premier South win in a row as they reached the 50-point mark, sat just inside the top five.

It was also the sixth time they have scored in the 90th minute or beyond in their last seven League games!

"It was a solid away performance on Tuesday evening," said Rowley, whose own coaching journey has seen him involved with the development and academy set-ups of Chelsea, Millwall and Fulham. "There wasn't a lot in the game; the pitch was heavy, our hosts sat in and were hard to break down which meant that there were restricted chances at either end.

"We kept going, as has been the hallmark of our recent displays, and got our reward with a well-taken stoppage time goal to make it 2-1 and give us our fourth successive victory.

"In my view, the main factor behind this run is our team spirit. On paper we've got one of the youngest teams not only in this League but throughout the Southern League and it took us a while to get to grips with the style and challenges in the early weeks of the season.

"But it's been a learning process and our hard work is starting to pay dividends. We've also had that bit of luck along the way with things dropping for us, which all teams need from time to time and, of course, the ability to keep going until the bitter end.

"The players have a lot of confidence right now and they can't wait for each game to come around."

Rowley took over at the helm initially on an interim basis towards the end of last term before landing the role on a permanent basis ahead of the current campaign.

His ability to work with and nurture emerging young talent has served him and the club well over the course of the season.

"The Premier South has not surprised me this season, it's been exactly as I expected it to be," he admitted. "There are some extremely talented footballers involved and this, combined with the travelling and some of the pitches that we encounter, makes for a tough challenge.

"We currently sit in the top five and now we're looking forward to what the run-in has in store for us. The team is in a good place; confidence is high and we're ready for whatever comes our way. We'll take it game-by-game and hopefully get to where we want to be.

"Obviously when you find yourself in the play-off places at this stage of the season, you want to stay there. It's my job to ensure that these young players keep their feet on the ground and finish as high as we possibly can within the top five.

"I thoroughly enjoy working with young players and helping them grow and develop into footballers.

"We have a possession-based style here; it's high energy stuff with plenty of movement on the pitch. I want highly intelligent players who are adaptable and give their all.

"The lads are giving me that at the moment and hopefully we can continue moving forward together and adding to our momentum."

This afternoon Rowley's side were at home to Frome Town.

## INFLUENCER

We find out which players most influenced our Pitching In Southern League stars...

### JORDAN ESPRIT (BRACKNELL TOWN) > LIONEL MESSI

Lionel Messi. I only started to understand football when I saw him play. He plays with so much freedom, almost like he's playing in the park with mates. That's something I admire.

## MOUSEHOLE AFC | REWARDS FOR OSCAR

The Cornish bragging rights went the way of Mousehole on Tuesday evening as they secured a commanding 4-0 victory over Helston Athletic to strengthen their position within the top five of the Pitching In Southern League Division One South.

A brace apiece from Hayden Turner and Oscar Massey saw the Seagulls make it four League games without defeat.

For front-man Massey, it's been a positive start to life at Interiora Parc following his switch from rivals, Falmouth Town, in December.

"I'm loving it here," he told us with a broad smile. "It's a brilliant club with a lot of ambition to go higher, which really appeals to me.

"Tuesday's game had the extra excitement of it being a local derby, so first and foremost to come out of it with three points was fantastic and the fact that I was able to score two goals was an added bonus. That's four in the last three games for me now, so I am very pleased!

"The team played brilliantly and, to be fair, we dominated the game. We played the conditions well and I am really proud of the lads. This is a tough old League, but we've put ourselves into a strong position.

"There are so many teams fighting to get into the top five and so many teams fighting hard to avoid being in the bottom four, so it makes every game extremely competitive and you have to be on top of your game week in, week out.

"It's exciting, though, and I'm really looking forward to the run-in to the end of the season. We're going to enjoy it and give it everything we've got.

"Our aim is to finish as high up the table as we possibly can, so to do that we have to roll our sleeves up and keep working hard. Personally I'll be looking to help the team in any way I can to win football matches, be that by scoring goals or providing assists.

"I just want to help the club push on from here and be part of the exciting journey that lies ahead."

Mousehole headed into Devon today as they took on one of those sides who are looking to escape the bottom four, Tavistock AFC.

## BEACONSFIELD TOWN | MAKING MOVES

It's fair to say that it has been a season of transition for Beaconsfield Town.

Relegated at the end of last term from the Premier South, they began life in the Pitching In Southern League Division One Central this term with a completely new look and youthful team.

Further change came during the autumn when manager, Garry Haylock, decided to step down and was replaced by his assistant, Sam Togwell.

It's only now, as we enter the second half of the season, that the team is started to get into its stride, with Saturday's 3-1 victory over Hertford Town making it four League games unbeaten as well as victory over Wycombe Wanderers in the quarter-final of the Berks & Bucks Senior Cup last month.

"We've been improving game-by-game," said Manuchim Oke-William, a scorer in each of the last two games. "You can really feel the confidence growing within the squad. There's real belief within the group and that showed in our performance at the weekend.

"There's a feel-good factor around the place now and we just want to keep this momentum going for as long as we can.

"It's always nice to get my name on the scoresheet, particularly when the team wins, as was the case on Saturday. My confidence has been given a massive boost, just like everyone around me.

"We've had to work hard this season but progress has been made and now we're starting to see the benefits of the work we've done.

"As a team we always knew that we had the quality to match anyone in this League, things just weren't clicking into place.

"It's been a case of sticking to the process and continuing to believe; people often talk about how important confidence and momentum is in football and we are certainly seeing that here.

"This is such a competitive League with a lot of strong teams and so much talent. It's no surprise to see players getting moves higher up the ladder from this League recently.

"Every game is a challenge and you can't afford to take any opponent lightly. It means that standards have to be kept consistently high in order to get the right results and we've started to do that in recent weeks.

"We're gradually moving up the table and hopefully this will continue in the weeks ahead. I just want to keep contributing with goals and good performances so we can finish as high up the table as possible."

The Rams were at North Leigh today.
