

PITCHING IN SOUTHERN LEAGUE

SATURDAY EVENING E-NEWSPAPER

Saturday 1 February 2025

REAL DRAMA

The month of February commenced with plenty of great action throughout our four divisions.

In the Pitching In Southern League Premier South, leaders, Merthyr Town, were made to work hard for their three points at bottom of the table, Marlow, where recent arrival, Cawley Cox's goal proved to be the difference. Just behind them, Gloucester City and AFC Totton couldn't be separated in a goalless draw, whilst fourth-placed Dorchester Town saw their game at Hanwell Town postponed due to a waterlogged pitch. Walton & Hersham remain fifth after they beat Winchester City 4-2 in a game which saw them let a two-goal lead slip.

Over in the Pitching In Southern League Premier Central and it's looking extremely close. Leaders AFC Telford United were held at home by Harborough Town as Bedford Town nicked a 1-0 win at Barwell to join them on the 50-point mark.

Just a point behind them, Stratford Town won at Lowestoft Town and Halesowen Town were commanding victors against Bishop's Stortford. Meanwhile Kettering Town got a stoppage time winner at AFC Sudbury.

In the Pitching In Southern League Division One South, leaders, Yate Town, came from behind to make a return to winning ways on Friday evening as they secured a 4-1 success at Cribbs.

It was a result matched by second-placed Exmouth Town who beat Didcot Town to maintain their challenge. Just below them, Evesham United battled out a 1-0 triumph at Willand Rovers whilst Mousehole took a point at play-off hopefuls, Bemerton Heath Harlequins.

Bishops Cleeve remain in the final play-off spot despite seeing their game at Falmouth Town postponed. One place below them, Bristol Manor Farm had an emphatic 5-1 win at Westbury United with Louis Britton hitting a hat-trick.

No question where to start in the Pitching In Southern League Division One Central where leaders, Real Bedford, played out an amazing 5-5 draw with third-placed Flackwell Heath in a game that had absolutely everything.

Berkhamsted in second place were unable to take advantage as they were held to a 1-1 draw at Ware, one of six draws in Division One Central this afternoon, showing just how competitive this League is!

PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH

Gloucester City 0 AFC Totton 0

Nothing could separate these two high-flying teams who went on to cancel each other out in our Game of the Day with the spoils being shared.

Hungerford Town 1 Havant & Waterlooville 0

There was very little to choose between these two teams until George Smith weighed in with a 67th minute opener for the hosts.

Both teams had players sent off late on with Ramarni Medford-Smith dismissed for the hosts and Harvey Bradbury following him for an early bath for the away team.

Marlow 0 Merthyr Town 1

The home side's resistance was finally broken with just over ten minutes to go as Cawley Cox found the net for the Welsh outfit and it proved to be the all-important winning goal.

Plymouth Parkway 2 Chertsey Town 1

There were just four minutes on the clock when Shane White opened the scoring for the hosts, but it was cancelled out midway through the first half by Calum Duffy.

Late drama saw Tylor Love-Holmes back a winner for the home side a couple of minutes into stoppage time.

Poole Town 0 Frome Town 1

The opening goal eventually arrived here on 65 minutes and it went to the visitors as Albie Hopkins was able to beat the 'keeper.

The home side just could not find a way back into it as the points went the way of the away team.

PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH

Sholing 1 Tiverton Town 0

Michael Folivi put the hosts in front as he found the net with five minutes to go until the break.

The visitors' cause was not helped when Matt Britton was sent off with quarter-of-an-hour to go for his second booking as they succumbed to defeat.

Swindon Supermarine 0 Gosport Borough 0

It was a hard-earned point here for both sides in an encounter which saw defences very much on top. Neither team was able to seize the initiative.

Taunton Town 2 Basingstoke Town 0

The experienced Chris Zebroski was in the right place at the right time to fire the home team ahead on 12 minutes.

As the clock ticked down, Latrell Humphrey-Ewers sealed the points for the hosts.

Walton & Hersham 4 Winchester City 2

With five minutes on the clock, Ralph Vigrass put the home side in front and then they added a second on 21 minutes from Johl Powell.

The visitors were given a lifeline midway through the opening period when Thomas Wright pulled a goal back and then Ik Hill levelled the scores on 65 minutes.

Vigrass then got his second of the afternoon to put the hosts back ahead with ten minutes to go before Dawid Rogalski rounded things off in stoppage time with a fourth for the home team.

Wimborne Town 1 Bracknell Town 2

First blood went to the visitors when Seb Bowerman put them ahead in the 21st minute.

As the clock ticked down, Bowerman hit a second to give his side a cushion going into the closing stages of the game.

Will Fletcher's last minute goal for the home side was too little, too late.

PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL

AFC Sudbury 0 Kettering Town 1

This one looked as though it was going to end with honours even between two well-matched sides, that was until Terell Pennant popped up with a dramatic winner deep into stoppage time at the end.

AFC Telford United 0 Harborough Town 0

After their six-goal haul in midweek, the hosts found the visiting team in stubborn mood with a resolute and hard-working display to battle out a point from this goalless draw.

Banbury United 2 Spalding United 1

A tenth minute opener from Jaanai Gordon saw the hosts get their noses in front but they were to let the lead slip right at the end of the opening period when Joseph Nyahwema levelled matters.

On 77 minutes, Alex Prosser regained the lead for the home team and it proved to be the winning goal.

Barwell 0 Bedford Town 1

It took until the 73rd minute here for the deadlock to be broken and it was Bruno Andrade who found the net to give the away team the lead. In the end this proved to be the all-important goal as the visitors took home a hard-earned three points.

Bromsgrove Sporting 0 Stamford 1

The visitors took the lead early on when Lee Shaw was able to find the net and there was to be no further scoring as they protected their lead to frustrate the home side.

PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL

Halesowen Town 4 Bishop's Stortford 0

An eighth minute strike from Kieren Donnelly gave the advantage to the home side and the same player had his second on the quarter-hour mark.

Ten minutes into the second period and a third goal, this time from Ryan Wollacott, put the hosts firmly in the driving seat. A fourth goal from McKauley Manning arrived with just over 20 minutes left on the clock and that's how it remained.

Leiston 1 Redditch United 0

It was a goalless opening period, with the home side forced to play with ten men following an early red card for William Johnson.

Leading scorer, Jamar Loza, fired the hosts ahead with a goal in the 65th minute and it proved to be the difference as they extended their impressive recent form.

Lowestoft Town 1 Stratford Town 2

The deadlock was broken just before the break here as Paul McCone came up from the back to give the visitors the lead. Late on Alex Williams doubled the away team's lead and whilst Sam Johnson pulled one back for the hosts in stoppage time, it was too little, too late.

Royston Town 3 Biggleswade Town 1

It took just three minutes for Harrison Rookard to put the hosts ahead and then Adam Murray doubled the advantage before ten minutes had even been played.

Early in the second period, Liam Andrews put the visitors back in it by pulling a goal back but a goal from Eduard Toiny-Pendred for the home team secured them the victory.

St Ives Town 2 Alvechurch 1

The away team took an early lead courtesy of Ammar Dyer but it was cancelled out on the quarter-hour mark by Habib Makanjuola. George Munday then put the hosts ahead on 22 minutes and there was to be no further scoring as they held on to their lead.

Stourbridge 3 Hitchin Town 1

With quarter-of-an-hour gone, the evergreen Tyrone Barnett opened his account for the hosts by putting them in front. As the clock ticked down towards half-time, Ethan Freemantle was on hand to double the lead for the home side from the penalty spot. Barnett added his second in the opening exchanges of the second period to put the home side well in command. A late goal for the visitors from Lewis Franklin proved to be mere consolation.

PITCHING IN SOUTHERN LEAGUE DIVISION ONE SOUTH

Bemerton Heath Harlequins 1 Mousehole 1

On 15 minutes, Joe Smith fired home to put the home team in front and it was a lead they held until four minutes from half-time when Oscar Massey equalised for the away team.

There was to be no further scoring as it ended with honours even.

Cinderford Town 3 Shaftesbury 1

A penalty gave the hosts the advantage as Alex Bonthron stayed cool to despatch from the spot.

With an hour on the clock, Marley Thomas doubled the lead in favour of the home side but the visitors made a game of it in the closing stages as Luke Burbidge pulled one back.

A red card for Ronan Moore saw the visitors forced to play with a man less for the final 20 minutes and they conceded a third goal late on as Ismail Yakubu found the net to give the hosts a big three points.

Exmouth Town 4 Didcot Town 1

There were 25 minutes on the clock when Tom Bath added to his tally of goals for the season by putting the hosts ahead.

Ten minutes before the break, Callum Shipton was able to extend the home team's lead, but Dan Warre was able to get the visitors back into it in the first half.

On 53 minutes, Michael Landricombe made it 3-1 and then Bath ran in to notch a fourth soon afterwards to complete another solid win for his side.

Malvern Town 4 Helston Athletic 0

After a cagey opening, it was the home team who were able to edge in front as Jack Watts fired home with 33 minutes gone.

Within a couple of minutes, Lewis Spurrier had doubled the lead and then Charlie Johnson added a third as the hosts ended the opening period strongly.

As the clock ticked down, Joe Bullock hit a fourth for the home side who completed a commanding victory.

PITCHING IN SOUTHERN LEAGUE DIVISION ONE SOUTH

Melksham Town I Bideford AFC I

The recently returned Javan Wright wasted little time in giving the visitors the lead within the opening minute.

On 42 minutes Henry Sady was able to equalise for the hosts.

As the clock ticked down, Josh Webber was red-carded for the away team who held on to claim a point.

Tavistock AFC I Bashley 0

After a goalless opening period, the home side wasted little time in taking the lead after the restart when Tyler Elliott found the net.

The home side were able to protect their lead to secure a much-needed success.

Thattham Town I Larkhall Athletic 0

The advantage went to the home side on 33 minutes as Jamie Davies found the net and this was to prove to be the only goal of what was a hard-fought and close game.

Westbury United I Bristol Manor Farm 5

The visitors came out of the blocks with real purpose and were rewarded when Daniel Dodimead put them ahead in the opening exchanges.

It became 2-0 with just under ten minutes to go until the interval as Louis Britton got his name on the scoresheet.

A penalty on the stroke of half-time was despatched by Britton to put his side well in command going into the interval.

The second period was only a seven minutes old when Britton volleyed home for his hat-trick to make it 4-0.

With just over 20 minutes to go, Dodimead added a fifth goal before Bevan Cross pulled one back for the hosts to complete the scoring.

Willand Rovers 0 Evesham United I

It was the visitors who took the lead here when Reegan Messenger was able to deliver the opening goal.

There was no further scoring as the away team were able to take all three points back to Worcestershire.

PITCHING IN SOUTHERN LEAGUE DIVISION ONE CENTRAL

AFC Dunstable 1 Beaconsfield Town 1

The away team went in front when Manuchim Oke-William was able to find the net on the 20-minute mark.

A leveller came during the opening exchanges of the second half from Kwadwo Bugyei-Kyei and that's how it remained with the spoils shared.

Barton Rovers 1 Aylesbury United 2

Nathan Frater was able to give the hosts the lead midway through the first half before Sonny French levelled matters as the interval approached.

The visitors went ahead through Luqman Kassim with just over 20 minutes to go and it proved to be the winning goal.

Biggleswade FC 2 Enfield 2

With half-an-hour gone, a goal from Kieran Southgate gave the visitors the lead and he went on to grab his second goal of the afternoon just three minutes into the second half.

A few minutes later, Dan Bond put the hosts back into it by pulling a goal back and then Rafal Wielblad equalised with less than 15 minutes to go as it ended with honours even.

Hadley 3 Kidlington 0

The deadlock was broken just before the half-hour as Luke Alfano put the home side in front.

Two late goals, from Finley Aldridge and Billy Hayes, gave the scoreline a more convincing look for the hosts.

Hertford Town 1 Thame United 2

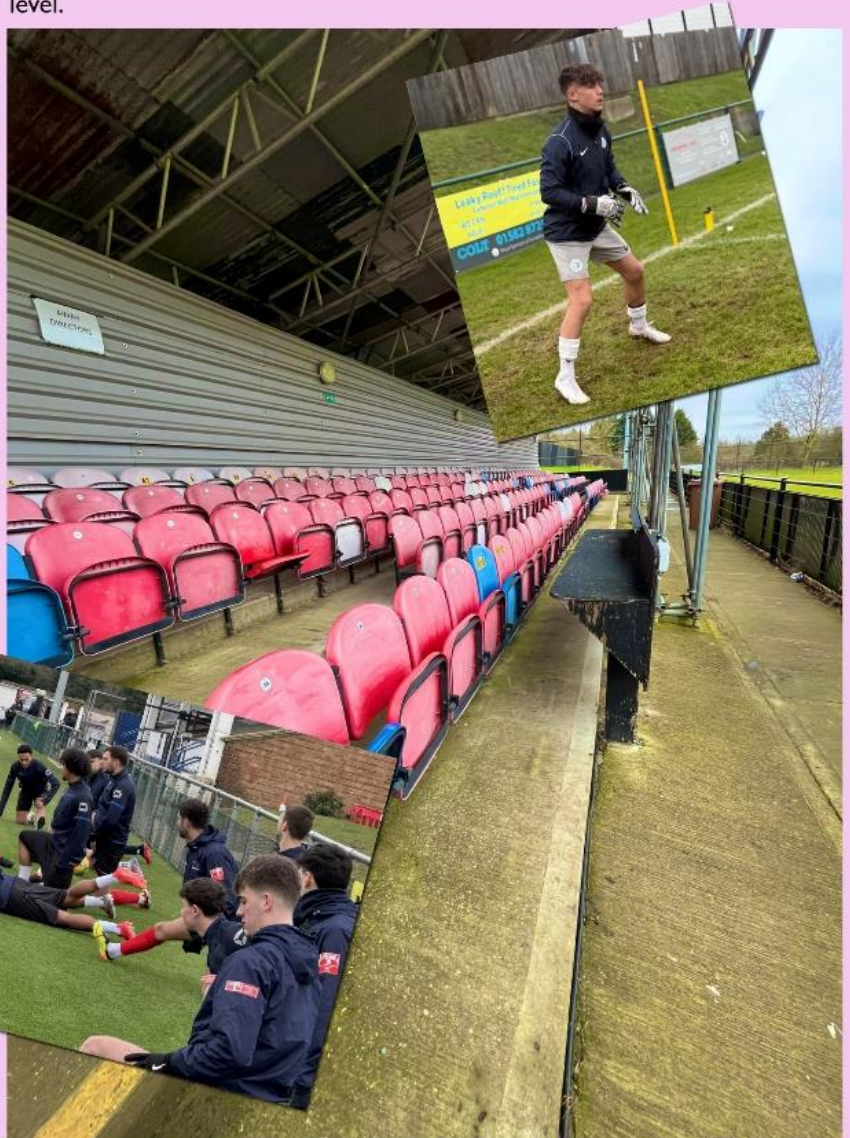

The away team took the lead in the eighth minutes as Ethan Lack beat the 'keeper but the scores were levelled when Riley Carr drove the ball home on 38 minutes.

A late goal from Dan West won it for the away team.

Kings Langley 1 Stotfold 1

The visitors took the lead just before the 20-minute mark when Codi-Lee Spavins was on hand to guide the ball beyond the reach of the 'keeper.

A penalty from Jordan Parkes restored parity as half-time approached but his day was to end on a sour note as he was sent off late on as it finished level.

PITCHING IN SOUTHERN LEAGUE DIVISION ONE CENTRAL

Leighton Town 0 Leverstock Green 0

Despite ending goalless, this was an entertaining game between two sides who tried to play the game the right way. It was the home side who had the better of the chances, but the visitors were in resolute mood to battle out a point.

North Leigh 1 Welwyn Garden City 1

The opening goal came on 38 minutes when Bradley Wadkins put the away team in front but it was cancelled out on the hour by Oluwatobiloba Shoyoye and that's how it finished, with honours even.

Real Bedford 5 Flackwell Heath 5

It was first blood to the away side as Michael Harding gave them an early lead in our Game of the Day.

The home side weren't behind for long as Joey Evans was able to restore parity only for Wiktor Makowski to put the visitors back in front with 25 minutes on the clock.

With half-an-hour gone it was 2-2 as Evans bagged a second goal for the hosts and then they went ahead for the first time through Ben Stevens on 36 minutes.

More drama followed right on the stroke of half-time when Jack Morrell saw red for the hosts.

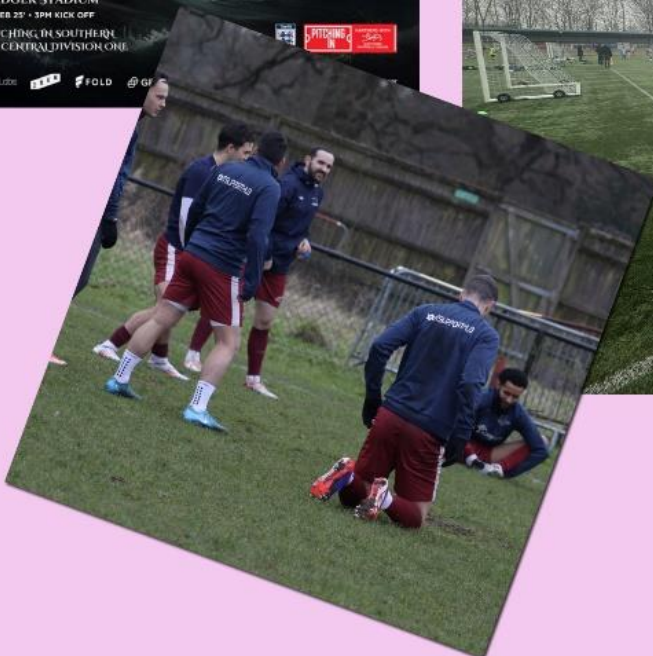

This breathless game took another twist when Matty Ayres levelled things up again on 50 minutes and the script couldn't have been written better when Jack Shakespeare put the visitors back in front.

Another goal for Makowski made it 5-3 in favour of the away team only for Josh Setchell to pull one back for the hosts soon afterwards.

This game had everything and a 95th minute penalty was coolly converted by Evans to make it 5-5. What an advert for Division One Central this was!

Ware 1 Berkhamsted 1

The away team went ahead through JJ Lacey here but it was cancelled out when Samuel Kifwasima Mayuma was able to turn the ball home to make it 1-1 and that's how it stayed with both sides having to be content with a point apiece.

NEWS ROUND-UP

SHOLING | D-DAN IS THE MAN

There was another Mason family landmark to celebrate at Sholing FC last weekend when Daniel Mason, the youngest of four brothers who have all turned out for the club over the years, made his 600th appearance.

During that time, he has weighed in with an impressive 296 goals to make him the Pitching In Southern League Premier South club's all-time record scorer.

"It's a great achievement for sure," he told his club's media. "For me to be up there with some of the legends of this club is a great feeling.

"I can remember the early days of my time here, just being around the team and the dressing room was a big learning experience for me and now here I am, a decade later and with 600 appearances to my name, it's magical and something that I'll look back upon with a tremendous amount of pride when I hang up my boots."

Sholing were denied victory at Dorchester Town in Mason's 600th game by a stoppage time equaliser to make it five games without a win and leave them just above the bottom four going into today's big home game against Tiverton Town, who sit just a point below them.

"It's a transitional time for us," Mason added. "It's been frustrating at times because we know how good we are and how good we can be, but it's not translated into results.

"There's been a bigger turnover of players than we have previously been used to, but the feeling is that things are starting to settle down now and relationships are being formed all over the pitch.

"We've got some good lads here and confidence is rising all of the time. We just need to keep working hard and the results will follow to get us moving up the table again.

"It's a big game at the weekend. As players we want to start repaying the fans for the faith that they continue to show in us. We're getting good numbers coming along to games, home and away, and we owe it to them to give them something to cheer about.

"As a group, if we continue showing the right attitude then the results will come, I have no doubt about that."

For the 32 year-old, the next landmark will be his 300th goal as he looks to further strengthen the Mason family legacy, which has seen brother, Byron, make over 700 appearances alongside Barry and Marlon who have also proudly worn the club colours. The Southern League would like to congratulate Daniel Mason on his achievement.

STOURBRIDGE | FRESH BATCH

In a bid to get his talented young team firing again, Stourbridge manager, Liam McDonald, has added a wealth of experience to his playing ranks with the recent capture of Richard Batchelor and Tyrone Barnett, combined age, 75 years young. The former Alvechurch duo have enjoyed long careers in the game and they both played their part as the Glassboys returned to winning ways at Harborough Town last weekend, ending the hosts' run of six straight victories in the Pitching In Southern League Premier Central in the process.

For Batchelor it sees him reunited with manager McDonald and the rest of the coaching staff after they previously worked together with such success at Rushall Olympic, taking the Walsall-based club to promotion into the Vanarama National League North at the end of 2022/23.

"It's great to be back with Liam and the rest of the management team," Batchelor told us. "As soon as I found out about his interest in bringing me here, I knew straight away in my heart that this is where I wanted to be.

"I have known the Gaffer as a friend and a manager for a long time now; we have a good understanding and relationship.

"I've had a couple of training sessions and I knew all about the detail, intensity and quality that goes into them. It was interesting to see how the other players adapt to it; there is some good young talent here, it just needs one or two extra experienced heads amongst it, which is what Tyrone and I will provide.

"The victory at Harborough Town was a good indication of the type of squad we have; that blend of youth and experienced served us well on the day and secured a big result.

"Confidence plays a massive part in football; it was a solid and resilient performance and as the game went on, you could really see our belief coming through. Having the experience of Tyrone and I out there amongst them lifted the morale and as a group we managed the game well.

"All I ever do is try to give 100% in whatever position or role I am asked to play. I was happy with my performance at the weekend, but I know that I will get better as I get fitter.

"This is a good club; the infrastructure is all in place to achieve our goals. I want success and I believe that I can achieve it here. If I didn't truly believe that I would not have joined the club, it's as simple as that.

"I feel that I can bring a lot to this group both on and off the pitch. I've always been seen as a big character, willing to help the younger lads and hopefully they will know that they can come to me for any advice.

"This League is still wide open. On any given day, any team is capable of beating each other regardless of their position in the table. Consistency is key; any team who achieves that will win the League.

"I am a winner. I set my sights high and whilst I might not always win, I give it everything I have and that's all you can do. I try to give my team-mates the same mindset as myself and if we can do that, we won't be too far away with this team."

The Glassboys will be looking for an upturn in their home form today as they play host to Hitchin Town.

INFLUENCER

We find out which players most influenced our Pitching In Southern League stars...

LUKE PARDOE (DORCHESTER TOWN) > ADAM LALLANA

My favorite player will always be Ronaldo, but the player that influenced me the most was Adam Lallana, who I used to watch regularly as a Southampton season-ticket holder. I would always be memorized by his ball manipulation and ability to play off both feet.

VEO | NOMINATE YOUR BEST GOAL FOR THE PEOPLE'S PUSKAS

Incredible goals and moments aren't limited to the world's biggest arenas. Our friends at Veo are asking for nominations for the best goal scored in grassroots football by anyone, anywhere during the 2024 calendar year.

The People's Puskas 2024 will once again champion the players on all levels who put their hearts into every game – and score goals worthy of the world's spotlight.

"Over 7 million goals were recorded with Veo in 2024," said a Veo spokesperson. "Nobody has seen them all, but they've all been seen by some."

"At Veo, we've seen enough to know that the grassroots game has produced goals that deserve a place in any highlight reel, so we are inviting the global football community to nominate their favourite goals scored by anyone, anywhere during 2024."

"Since FIFA ignores Non-League and grassroots categories in its Puskas Award, in 2022 we created, from Veo, the People's Puskas to highlight the wonders that footballers of any category or age can achieve."

"We are looking for the best goal in Non-League football worldwide, and we want you to help us find them! We're working with the Southern League to spread the word far and wide!"

"This is a fun opportunity to highlight our partnership without the want to be promotional; this campaign is merely for the community to showcase raw talent at all levels of the beautiful game."

Further information about Veo's People's Puskas campaign and how to nominate is available here: peoplespuskas.com/

MALVERN TOWN | BOOTS BACK ON

With over 130 Football League appearances to his name, Ryan Brunt brought his playing career to an end just over four years ago... or so he thought!

The 31 year-old cut his football teeth within the youth ranks at Bristol City before

moving to the Stoke City academy, from where he embarked upon a professional career that took in the likes of Luton Town, Tranmere Rovers, Leyton Orient, Bristol Rovers, York City, Stevenage, Plymouth Argyle and Exeter City.

After dropping into the non-League game, firstly with Bath City and then Chippenham Town, he decided to call time on his playing career in October 2020 at the age of just 27 due to increased work and family commitments.

However, a recent change in circumstances has meant that he has decided to put the boots back on, signing for Pitching In Southern League Division One South outfit, Malvern Town, and making his debut with a cameo appearance in The Hillside's commanding 3-0 victory at League leaders, Yate Town, last weekend.

"It's something that I have been talking about with Tums [Malvern Town player, Joe Tumelty] for a while now," he admitted. "Just after Christmas things fell into place where I had a little bit more time and flexibility in my life to get back involved, so I thought 'why not'?"

"The Gaffers, Lee Hooper and Stephen Cleal, were good enough to let me come and train with the team and, to be honest, I felt a bit sharper than I thought I would be!"

"So we agreed quite quickly to get me involved here and I must say that I have been made to feel so welcome from the moment I first walked through the door."

"I just hope that I can add some value and experience to the team for the run-in to the end of the season."

"It was nice to get back out there on the pitch again on Saturday for the first time in over four years. My own contribution was short and sweet towards the end when we already had the game won, but it was just nice to be involved again. It was a good feeling!"

"As for the game itself, it was a fantastic performance and victory over strong opponents with lots of experience and quality in their ranks."

"They are on course to win the League, but from start to finish we were impressive and it showed what it meant to everyone at the end. There's such a great bond between the players, staff and supporters."

So what qualities does the Birmingham-born front-man feel that he will bring to the team?

"I bring a presence up front," he said. "I'm an old-fashioned target man, I guess. I'm a team player that will help in both boxes... and hopefully I can add some goals to that too!"

"I am looking forward to being involved in this League because there is some good quality within it. We're lucky enough to have a great 4G pitch, so the quality of the games will change from week-to-week depending on the pitches that we play on."

"I've been very impressed so far by the quality and intensity of training. That definitely comes from the enthusiasm and dedication of [Head of Coaching] Andy Bevan alongside the co-managers."

We ended by talking aims and targets between now and the end of the season.

"From a personal point of view, it's to get as fit as possible and try and contribute to the team as much as I can," he replied. "As a team, we'll be trying to secure a play-off spot; we have a good enough squad to do so, as was proved on Saturday, and with the current run of form, anything is possible."

Having seen Tuesday evening's game at Falmouth Town fall victim of the wet weather, Malvern Town were back in home action earlier today against Helston Athletic.
