DYNO-ROD BENCH WEAR IS HERE!

The first items of bench wear featuring the Dyno-Rod logo have arrived and are being distributed to our member clubs.

Ahead of the current campaign the Trident Leagues announced a partnership with Dyno-Rod, who became Plumbing and Drainage Partner to the Southern League as well as the Northern Premier and Isthmian Leagues.

The UK's largest plumbing and drainage service provider, they employ over 1,500 local engineers and support staff from their communities nationally.

Dyno-Rod operates throughout the UK, visiting approximately one million customers, as a franchise business offering 24/7 emergency services for both domestic and commercial customers.

Specialising in plumbing and drainage repairs, from blocked and burst pipes to full commercial solutions at the heart of our communities, they keep the UK flowing.

Under the terms of the partnership, the Dyno-Rod logo will appear on the back of official bench wear or training bibs worn by the 264 clubs at Steps 3-4 of non-League football (tiers 7-8

DYNO-ROD
Plumbing & Drains Services

of the English football pyramid) and will also appear on the electronic sub boards used at over 3,000 matches per season including FA Cup and FA Trophy ties.

Dyno-Rod will also be working at a local level with clubs to strengthen community links to mutual benefit, through club activations, matchday sponsorships, and educational initiatives focused on water safety and sustainability.

For more information about Dyno-Rod and its services, visit: **dyno.com**.

ISUZU FA TROPHY FIRST ROUND PROPER

PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH

Featured Match

WIMBORNE TOWN v AFC PORTCHESTER

Wimborne Town have become the kings of Dorset this season. Three local derbies and three wins have left them purring in fourth place in the Pitching In Southern League Premier South.

Their latest bragging rights came courtesy of a 2-0 away win at Dorchester Town last weekend in a game which saw Max Francisco Bustamante find the net with an absolute screamer to seal the victory.

"It was probably not my most lively afternoon in terms of performance," Bustamante admitted to us. "But I was very pleased with the goal; I hit it well and it was nice to see it fly into the net at an important time for us.

"The windy conditions did not help matters. It was a case of playing percentages and taking our moments when they came, which we were able to do to get another big three points.

"It's a case of so far, so good this season. There's a good team spirit here, with some really strong leaders in the senior lads and willing learners amongst the younger lads, which makes a good

mix. As always, it's a tough League; you'll hear a lot of people saying anyone can beat anyone and I think that is the way in this League. You can see the gap from relegation to play off zones is never huge so every game is massive and never easy.

"The main aim is for us to enjoy our football and play with smiles on our faces. We're certainly doing that at the moment given the start we've had and we look to go into every fixture being tough to beat and break down.

"We want to progress as far as we can in every competition we enter; winning football matches breeds confidence and is a good habit to get into.

"Hopefully I can stay fit and contribute as much as I can by playing as many minutes as possible.

"The club finished last season strongly and we're doing all we can to be able to build on that and keep moving in the right direction.

"Saturday offers us a chance to turn our attention away from the battle for League points. This is a national competition so we want to do well and give a good account of ourselves.

"It will be a tough test against unfamiliar opponents, but we'll do our preparation in the build-up and look to overcome the hurdle that stands before us without too many problems."

Having been part of the academy set-ups at both Barnet and Stevenage as a youngster, Bustamante moved into the non-League game, initially with Kings Langley before joining Wimborne Town whilst studying engineering at Southampton University.

AFC Portchester claimed the Wessex League Premier Division title last term to take their place in the Isthmian League South Central Division for this season, where they currently sit just below halfway with five wins and six defeats from the 11 League games so far.

Wimborne Town are the kings of Dorset

THE REST OF THE ISUZU FA TROPHY ACTION FOR PITCHING IN SOUTHERN LEAGUE PREMIER SOUTH AND DIVISION ONE SOUTH CLUBS

There's an all Premier South clash at Basingstoke Town as they take on Dorchester Town, whilst Farnham Town welcome a Bishops Cleeve outfit who are currently leading the way in Division One South following an unbeaten start to their League campaign.

Two more all Premier South encounters sees Gloucester City against Havant & Waterlooville at New Meadow Park., whilst Plymouth Parkway have home advantage for the visit of a Poole

Town side who have started the season brightly.

Hitting the road are Hanwell Town as they head to St. Albans City, in what will be a hard-fought tie, whilst Premier South leaders, Walton & Hersham, entertain Hendon and bottom of the table, Bracknell Town, pit their wits against Banbury United of the Premier Central.

It's an all-Premier South encounter at Gloucester City who host Havant & Waterlooville

Image | Jamie Brain

LEAGUE ACTION SOUTHERN LEAGUE PREMIER SOUTH

Four League games survive as Evesham United and Uxbridge, who are locked together on 19 points following positive starts to the campaign for the two sides who moved up into this level during the summer, go head-to-head.

Meanwhile two sides who have not yet lived up to summer expectations, Hungerford Town and Weymouth, meet at Bulpit Lane as both look to climb up the table. For Weymouth, they go into the game on the back of a much-needed victory at Farnham Town in their last outing,

Sitting just outside the top five is Sholing, who have lost just two of their 12 League games so far. They will be tested by an upbeat Gosport Borough who arrive having beaten Bracknell Town 6-1 on Wednesday, a result which has moved them one place above their hosts on goal difference.

The final game sees two of the bottom form meet as Tiverton Town entertain Yate Town. Both teams have won just two games apiece as they look for a spark to kick-start their respective seasons.

Weymouth picked up a much-needed victory last weekend – much to the delight of this young fan!

ISUZU FA TROPHY FIRST ROUND PROPER

PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL

Featured Match

REDDITCH UNITED v GAINSBOROUGH TRINITY

It should come as little surprise that Redditch United are thriving with such a young and vibrant group of players this season.

At the helm is Mike Fowler, a man steeped in youth development who combines his role as first-team manager with that of Academy Manager at the Premier Central club.

Monday's hard-earned 1-0 victory over fellow high-flyers, Alvechurch, saw them strengthen their position within the leading pack as they won for the third game in a row and they did it with a squad where the average age was just 20.8 years old. Included in this were two students from their Education

Programme, which is run in association with Heart of Worcestershire College. Teenagers, Billy Fielding and Omari Brown, both played their part in the victory as they stepped up following a spate of injuries that have blighted the Valley Stadium club in recent weeks.

"With injuries depleting us, I am so very proud of the way in which the youngsters have stepped up to the plate," Fowler told us. "On Monday, seven players were 18 and below, so I was even more delighted with the result and performance.

"We improved as the game went on; Alvechurch were going during the first half and we struggled to get to grips with them, but after the break we showed why we have been so good over the past month or so.

"We defended well, competed all over the pitch and attacked with real intent to find a way to win the game and leave us in amongst the leaders.

"We have massive belief in our young players here and the potential that that they have. Young players need someone to believe in them and then someone to give them opportunities and we are that in abundance.

"I was brought in this summer with a view to developing and nurturing the emerging talent that we have here.

"My previous role at Solihull Moors was designed around youth development and my remit here is to develop and strengthen the pathway and integrate that into our first team.

"I am very fortunate to have superb staff

Billy Fielding is one of the many youngsters with a bright future ahead of him at Redditch United

around me to support this process. This is a project; we are building for a successful but sustainable future at Redditch United and I am incredibly proud of the progress we have made so far.

"We have a great community and junior section at the club. We have fantastic facilities and infrastructure with great leadership in Chairman, David Faulkner, and Iain Wain. Bringing this together and to life is something that motivates me. Redditch really is a club to be proud of."

We asked Fowler about his philosophies as a coach.

"Everything starts with the brilliant basics," he said. "Do them well; work incredibly hard to be better and have a strong mentality. There are more specific things but they're top secret!

"The plans that the club have are exciting and part of the reason I agreed to take on the responsibility for bringing the vision to life.

"The mantra is to keep moving forward and Improving. The growth in the club over the past five years have been impressive and long may it continue.

"The Premier Central has been very challenging but enjoyable so far this season. We have faced some really tough opposition and had some fantastic games. No two games are the same and there seems to be a lot of drama, which makes for interesting viewing.

"With regards to the aims for the team, they are pretty standard;

to keep improving and challenge at the top end of the table.

"We would also like to have a decent run in the FA Trophy, so Saturday's game against Gainsborough Trinity is an important one for us. We also want to do well in the county cups. I want us to be the flagship for our fantastic club and develop the footprint to support the development of the club as a whole.

"An individual aim is just simply to embrace and enjoy the challenge. Sometimes we can get caught up in the pursuit of being successful but we have to remember it's a game. The best game in the world."

The Reds face Northern Premier League Premier Division opponents in Gainsborough Trinity on Saturday. They too are amongst the front-runners in their League, sitting fourth after 12 games.

In addition to the game, the club will also be hosting Lara's Legacy Day, a 'Fun Day' fund-raising charity event for mental health, which will see a whole host of fun activities take place for all of the family, including an obstacle course, bouncy castle, face painters, cakes and cookies, Asian food, arts and crafts stall and raffle.

THE REST OF THE ISUZU FA TROPHY ACTION FOR PITCHING IN SOUTHERN LEAGUE PREMIER CENTRAL AND DIVISION ONE CENTRAL CLUBS

There's an all Premier Central battle at AFC Sudbury as they take on Leiston and also at Alvechurch where they lock horns with local rivals, Worcester City.

Heading north on their travels are Stratford Town who go to Anstey Nomads, whilst Bishop's Stortford make the trip to Essex to take on Billericay Town.

High-flying Harborough Town, have home advantage as they welcome AFC Rushden & Diamonds to The Beehive, whilst

St. Ives Town face a tricky trip to Ilkeston Town and similarly, Bromsgrove Sporting head to Leek Town as they look to make progress.

It's a home draw for Real Bedford with the visit of Ashford United and also Spalding United as they host Corby Town. On Sunday, Banbury United go to Premier South strugglers, Bracknell Town, whilst the only Division One Central representatives, Hadley, hit the road, with their destination Tilbury.

LEAGUE ACTION SOUTHERN LEAGUE PREMIER CENTRAL

The League programme is very restricted due to the Isuzu FA Trophy ties taking place, in fact there are only two games taking place.

There's an intriguing match-up at Kettering Town, where the currently managerless hosts entertain a Needham Market outfit who have started to find a bit of form and climb the table. Both teams had good wins during the week and will go into this encounter full of belief.

Bottom of the table Stamford AFC will be hoping that they can get their first League success of the campaign, at the 12th time of asking as they host a Barwell side who sit just outside of the bottom four with three wins to their name from 11 League outings.

Joe Neal celebrated his Birthday on Wednesday by putting in a Man of the Match display for Needham Market

Featured Match

EXMOUTH TOWN v LARKHALL ATHLETIC

Just a point separates the top five in the Pitching In Southern League Division One South going into the weekend action.

Right in amongst it all are Exmouth Town who, having got a taste of the play-offs last season, are determined to be in there again this time around.

For their return to home action against Larkhall Athletic on Saturday, they are giving free admission to all accompanied youngsters under the age of 16.

"I think it's really important to have a connection as a club with the next generation of supporters," said Sam Morcom. "Hopefully Saturday's offer will tempt some new faces to come along and they will return again on future occasions to give us their support.

"It's vital for a club like Exmouth to have this; the more support we get, the better. They will also see local lads in the team, giving their all on the pitch, and this is another source of inspiration for them, knowing that this is a club which gives opportunities to local talent."

After falling to a heavy defeat at Falmouth Town, Morcom and his team-mates responded by going to Hartpury last weekend and bringing home all three points from a good 2-1 away win.

"It was a very tough game," Marcom added. "Hartpury are a really good team on the ball, very fit and as a university outfit, we knew they train and work on patterns of play a couple of times a week.

"We tried to soak up the pressure and take advantage of our ability at set-pieces, which we did. We then had to sit in and defend at times, which I felt we did very well.

"Personally, this was tough for me as I prefer going forward, but I knew the game was going to be like that from the first minute and I was happy to play my part in an important away win.

"It's been a really good start to the season. We have had a tough opening set of fixtures and bar the first two games and Falmouth last week, I've felt we have done well in every game.

"We've developed a real ability to get the job done whether it's ugly or pretty. I also feel we can adapt and play many ways, which is a great skill to have and will stand us in good season as we go on through the season.

"Personally, I feel I've had a good start; I didn't start the first couple so needed to bide my time and wait for my chance.

"Coming in from the Western League, I have definitely noticed a step up in standard. I feel that mistakes are punished a lot more

Free admission for U16s at the Complete Infrastructure Stadium on Saturday

at this level, and I feel teams are tactically so much more aware in this League. Also, players are much fitter, stronger and just better in general, so it's been a challenge that I have needed to rise to.

"We're right in amongst the leading pack at the moment and we want to stay there. Momentum is important in football and we'll be looking to build on this as we go along and see where it takes us. These are exciting times and the more fans that we can get to be part of the journey with us, the better."

Popular front-man, Matt Wright, is also in upbeat mood as the experienced goal-getter sees his mojo return.

"It really was a fantastic win on Saturday against a good side," he told us. "The boys had to dig deep and win ugly.

"On a personal level, I'm over the moon with how I've started

the season. I'm back scoring goals and winning football matches, which is what it's all about.

"There are a lot of good things for us to build on. Of course, we know that there is still a long way to go, but we've set some good standards in what is a good League.

"Let's hope that any supporters tempted to come along by the ticket offer will be treated to an entertaining afternoon, with three points at the end of it."

Three wins and just one defeat from their last five outings have thrust Larkhall Athletic just inside the top ten and they head to Devon full of belief for what promises to be a really keenly-fought encounter.

THE REST OF THE ACTION

The Mousehole AFC fans who made the long trip to Shaftesbury on Tuesday evening – hats off to you!

With leaders, Bishops Cleeve, on Isuzu FA Trophy duty this weekend, both Malvern Town and Frome Town have the chance to take over in pole position and they meet at the HDANYHERE Community Stadium, with the home side eager to bounce back from defeat at Bideford AFC last weekend.

Also with the chance to go top are Portishead Town who travel to Swindon Supermarine in what also promises to be an enthralling contest.

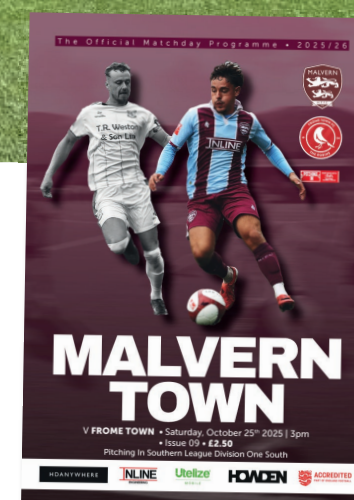

Looking to make the most of home advantage will be Winchester City who take on bottom club, Brixham AFC, whilst Shaftesbury are straight back into home action with the visit of Melksham Town having slipped 4-1 at the hands of Mousehole on Tuesday as the Cornish club picked up their first away win of the campaign.

Talking of Mousehole, they host Sporting Club Inkberrow for the first-ever time as they look to get moving up the table. Another team who are upwardly-mobile right now are Didcot Town, who

have finally found some form and welcome Bideford AFC, who will themselves be in upbeat mood following their victory over Malvern.

In the lower reaches of the table, Bristol Manor Farm are at home to Falmouth Town, whilst Tavistock AFC will also be looking to make home advantage count as they face Bashley.

Finally, Willand Rovers play host to Hartpury and we shall not remind them of what happened in the reverse of this fixture at the end of August, suffice to say that this one is likely to be a lot closer!

FLACKWELL HEATH v HERTFORD TOWN

There's a definite feeling that Hertford Town are coming of age this season.

Ben Herd's young side have started their Pitching In Southern League Division One Central campaign well and sit fourth following last weekend's convincing 5-1 triumph over Aylesbury United, their third straight success.

Amongst the scorers in the last game was Noah Mosanya, who like his team-mates, has found some form this season and is now in double figures in the goalscoring stakes in all competitions.

"I'm pleased with the form that I've been in," he told us. "Getting on the scoresheet is always nice and it was good to be able to add to my tally in the last game.

It's been a productive season so far for Noah Mosanya and his team-mates

"Hopefully I can maintain this form over a prolonged period of time and help keep the club amongst the front-runners.

"We've been setting ourselves various targets in batches of games and we got the nine points that we were looking for from the last three matches, so now we have to add to that over the course of the next run of games.

"It's been a good season so far where we've developed and grown a lot. I feel that I have made a lot of progress and I know that many of my team-mates feel the same.

"There has been a good environment cultivated here, one in which we are able to express ourselves whilst learning a lot along the way.

"A personal highlight for me was the FA Cup tie at Chelmsford City. Whilst the result didn't go our way, the whole experience surrounding the game and the 90 minutes itself was a real learning curve.

"The standard of Division One Central is good again this year. We've faced some tricky opponents so far and I am sure that there are plenty more to follow, including Saturday where we head to a Flackwell Heath side that reached the play-offs last

season and with their games in hand, could be right up there with us in the mix this time around.

"It will be a good gauge for us on Saturday to see where we're at. We want to be in and around the leading pack and pushing for promotion; there's no reason why this can't be the case; we're a young team packed with talent and ability.

"Finding consistency will be key, but for now we're doing some good things and long may it continue. I just want to play my part with goals and assists."

Mosanya began his football journey at Brentford before he moved on to Stevenage when the Bees closed down their youth set-up. Having not been offered a professional deal at Stevenage, he went into the non-League game, getting game time with Arlesey Town and Wormley Rovers before linking up with Hertford Town.

For Flackwell Heath, they are reeling from losing their last two games, both on the road, at Welwyn Garden City – who beat them 1-0 in their last outing last weekend – and Biddleswade FC who nicked it 3-2 with a late goal proving to be the difference.

THE REST OF THE ACTION

Rayners Lane faced the camera this week – they chase another win at the weekend after Bradley Walsh's goal gave them victory in their last game

Unbeaten leaders, Leighton Town, face a stern challenge as they take on Welwyn Garden City, who arrived in sixth place in the table with 20 points from their 12 League games. Second-place Biggleswade FC face a tricky assignment of their own as they go to a Beaconsfield Town team who also have their sights set on breaking into the leading pack.

Hitting the road are Ware who go to Leverstock Green who find themselves in the middle of the table, whilst Hitching Town have home advantage for the visit of Northwood, who go into the game one place off the bottom of the table.

Currently sitting at the foot of the table are Rayners Lane, who had a good 1-0 victory over AFC Dunstable in their last outing. The winning goal on that occasion was scored by Bradley Walsh

and he, along with his team-mates, will be chasing another three points on Saturday as they head to Stotfold.

As for AFC Dunstable, they welcome Barton Rovers, who sit in eighth spot, whilst level on points with them, Biggleswade Town take on Thame United, whose form so far this season is best described as up and down.

Both Enfield and Marlow have had slow starts to the campaign as they meet on Saturday with just one point separating the two teams. Finally, two teams on nine points so far, Milton Keynes Irish and London Lions, meet with the hosts fresh from a stand-out 5-2 win at Hadley in a game which saw Mason Spence score a cracking volley, which he told us all about this week.
