PITCHING IN SOUTHERN LEAGUE PREMIER DIVISION SOUTH

Featured Match

GOSPORT BOROUGH v YATE TOWN

The Southern League is pleased to announce that we will be holding our first League Community Engagement Day at this game.

Many community groups have been invited to come along and sample the atmosphere of a local non-league football match.

Local community, civic leaders, representatives of the Southern League, together with local faith, ethnic and community groups have all been invited. The club's junior and ladies' sections will be in attendance, as will Royal Navy groups.

The objective of the day is to showcase the football club as a focal point for the local community and encourage all local residents to attend and enjoy all that a non-League football match offers in a friendly and inclusive atmosphere.

The event is being supported by Fans For Diversity, The Football Supporters Association, and both clubs are fully behind the event. "The Southern League is delighted to be hosting this Community Engagement Day," said League Chairman, David Martin "As a

The Borough fans will be treated to our first-ever League Community Engagement Day on Saturday

League we are committed to being an inclusive, diverse and equal organisation.

"We are looking at practical ways to implement our objective of encouraging all clubs to become more diverse. We are grateful for the support of Fans for Diversity in organising this event, which we hope will be the first of many."

Southern League Director, Stephen Hyde, added: "The League are extremely grateful to Gosport Borough for agreeing to host this event.

"It has been a pleasure being involved in supporting the preparations for the day, and the assistance from Fans For Diversity has been invaluable.

"Both clubs have embraced the occasion and contributed to

ensuring the day will be a success. Hopefully this inaugural event can create a blueprint many other Southern League clubs will consider hosting in the future."

As far as matters on the pitch are concerned, the home side go into the game on the back of a 4-0 reverse at Havant & Waterlooville on Easter Monday, a result which leaves them in tenth place in the table, nine points adrift of the play-off places.

Their opponents meanwhile sit just a couple of points and places off the relegation zone. They were given a boost in their last outing as they chalked up a commanding 3-0 victory over Evesham United to leapfrog their opponents.

THE REST OF THE ACTION

Congratulations to Walton & Hersham on their title success

Monday was a bad day for the leading pack as no fewer than five of the top six all suffered defeat as the pressure ramps up a notch or two.

Even though they went down 2-1 at home to play-off chasers, Chertsey Town, the title was secured by Walton & Hersham following an impressive campaign. They will take their place at Step 2 next season.

Behind them, Gloucester City went down to a 2-0 home loss at the hands of relegation-battlers, Taunton Town, who had a successful Easter. Gloucester head to another side in the bottom four, Dorchester Town, at the weekend.

There's a mouth-watering contest at Sholing where the home side, who go into the weekend one place out of the top five, host third-placed Farnham Town, whilst it will also be an exciting affair at Poole Town as the fourth-placed outfit go to Chertsey Town,

who are just two points shy of the pay-off zone.

Moving into the top five on account of being the only one of the top six to win on Monday, Berkhamsted travel to Wimborne Town who sit in mid-table.

At the lower end of the table, Tiverton Town are already relegated as they head to Bracknell Town. Battling to avoid joining them in facing the drop are Hungerford Town who host Basingstoke Town, whilst Dorchester Town have home advantage against Gloucester City and in-form Taunton Town host Uxbridge.

Nervously looking over their shoulders, Evesham United welcome newly-crowned Champions, Walton & Hersham.

Elsewhere, both Hanwell Town and Weymouth still need the points to secure safety as they meet, as mid-table Plymouth Parkway take on Havant & Waterlooville, who are just inside the top ten.

Featured Match

HALESOWEN TOWN v HARBOROUGH TOWN

The title is yet to be claimed in the Premier Central but sitting pretty in pole position are Harborough Town who took a great leap towards taking the crown with a 5-1 victory over Banbury United on Monday, a result that leaves them seven points clear with three games to play.

On Saturday they face a mouth-watering game at fourth-placed Halesowen Town, who themselves are involved in a big battle to make the play-offs, and with a packed house sure to be in attendance, it has all of the ingredients to be quite a game.

"This is exactly what you want as a player," said Alex Morris, who opened the scoring for Harborough in their last game as they came from behind to win. "The pressure and the importance of every game is something you thrive on.

"We've worked hard all season to be in this position, so now it's about embracing it and seeing it through. The whole squad is looking forward to the run-in, starting at Halesowen on Saturday!

"We go into the game on the back of what was a top performance from the lads on Monday, especially considering we went 1-0 down early on.

"To respond the way we did and go on to win 5-1 says a lot about the character in the team. We knew they'd be tough opposition as they beat us earlier in the season, so it was important we put that right.

"Personally, I was pleased to get the equaliser—scoring to bring us back level gave us a real lift and helped shift the momentum in our favour. From there, I thought we controlled the game really well and showed our quality.

"It's been a very positive season. As a team, we've shown consistency, resilience, and a real togetherness which has put us in the position we're in now.

"One thing that stands out is that we haven't relied on one main goal scorer—everyone's contributing, which has been key to our success. Personally, it's probably been my most productive season in terms of goals and assists, which I'm really pleased with, but it's all within the context of the team doing well.

"We know there's still work to do to finish it off but I'm confident we can get over the line."

Will Harborough Town be celebrating come the final whistle on Saturday?

We asked him about how strong he feels that the Premier Central has been this season.

"I think it's a really competitive league, even at this point of the season," he replied. "There's still loads to play for at both ends of the table and you don't get any easy games.

"There's a great mix of styles of play and some massive non-League clubs in the division, which makes for some entertaining games with big crowds, just like we'll face at the weekend.

"The aim as far as we are concerned is clear—win the games we need and secure promotion. We know we're close, but nothing's done yet. It's about staying focused, keeping our standards high, and making sure we finish the season strongly. Fingers crossed we can do it this week, up the Bees!"

They head to a Halesowen Town side who currently sit fourth but are only five points away from ninth, such is the congestion amongst the top ten, which makes for a really exciting final few weeks.

The Yeltz won 2-0 at neighbours, Bromsgrove Sporting, on Monday to complete a winning Easter weekend having come from behind to secure a 3-1 victory over Stamford AFC on Good Friday.

Recent form has seen them lose one in the last five, so Harborough Town are going to have to work hard if they are to secure the title.

Stourbridge are looking to complete their great escape in the battle to avoid the drop

Sitting in second place, Spalding United have had a productive Easter weekend and they will be looking for that to continue as they host Stratford Town, who halted the progress of in-form Kettering Town on Monday with a 2-0 success.

Fifth hosts third when Real Bedford make their way to Redditch United. The visitors go into the game on the back of a 4-0 triumph over Bishop's Stortford, whilst the home side, who announced new investment this week, are looking for a response having went down to a 3-1 defeat at Worcestershire rivals, Worcester City, on Monday.

Sitting on the fringes of the play-off places, looking to make their move is Kettering Town, Quorn and Needham Market. For Kettering it's a home encounter with Worcester City, who can still

mathematically make the play-offs, Quorn are at home to mid-table Leiston, whilst Needham Market have home advantage for the visit of Barwell, who are on the verge of losing their Step 3 status.

Down in the relegation spots, AFC Sudbury and Royston Town have already succumbed. They face trips to Banbury United and Alvechurch respectively, whilst St. Ives Town currently sit in the final relegation place as they host Bromsgrove Sporting, who are one of the teams still in the clutches of the bottom four.

Stamford AFC are another as they go to Bury Town, meanwhile Stourbridge have almost completed their great escape as they look to seal their fate at home to Bishop's Stortford.

EXMOUTH TOWN v FROME TOWN

It's a job very well done for Frome Town. Crowned champions of Division One South on Monday, the same day as they burst through the 100-point barrier.

For Sam Heal, it's the culmination of months of hard work and determination.

"To be a title winner feels unbelievable," he told us. "All of the hard work we have put in since pre-season has paid off.

"We've come out the other side of what was a tough time for the club with a League title, which makes it extra special and is a just reward for everyone involved with the club.

"A lot of sacrifices have been made along the way, but it's all worth it now.

"It can be tough the first season after relegation, but we quickly moved on and set about the task of bouncing straight back. The new signings quickly and seamlessly integrated into the group and we didn't look back from there.

"There have been a lot of ups this season, and a few downs, naturally, but we've stayed consistent and that's what makes this group so special.

"As I say, there have been plenty of high spots over the course of the campaign, but the real turning point for me was the last gasp

Image | Steve McCarthy

After just two defeats from 39 League games, Frome Town are worthy title winners

victory over Malvern Town. We found ourselves behind but then got back on level terms before the skipper found the net for a late winner.

"That result gave us an extra cushion leading into the final stretch and we didn't look back from there, to be honest.

"This is a tough division, there's no doubt about that, and there hasn't been an easy game all season no matter who we have come up against.

"We've been able to grind out so many good wins, even when we've not been at our best, and that has been key to this title win, which we will now savour before the hard work starts all over again in readiness for life back in Step 3."

Their first game since being confirmed as Champions sees them head to Devon to take on Exmouth Town.

The home side have had a solid campaign this term, but having made the play-offs last season, they will fall short this time around as they find themselves in eighth place, 15 points adrift of the top five.

They go into the game reeling from a 1-0 defeat at local rivals, Bideford AFC, in their last outing on Monday, but they will be determined to put a dampener on Frome Town's title party.

THE REST OF THE ACTION

With the title confirmed, the race is now on for the play-off places. Already confirmed are Malvern Town and Portishead Town, who will now battle it out for second place. Malvern hold the advantage going into a weekend that sees them head to face a Didcot Town outfit who have won seven of their last eight home encounters. For Portishead Town, a long trip down to Mousehole AFC awaits as the Cornish club emerge from a positive Easter weekend.

There's a mouth-watering clash in prospect at Shaftesbury as they aim to keep their top five bid alive as they host Winchester City, who sit fourth. The Easter weekend has left the home side five points off the play-off places as they chase down Bishops Cleeve, who go to relegation-battlers, Willand Rovers, in good heart having beaten Hartpury in their last outing.

Talking of relegation, Tavistock AFC already have their fate sealed as they host Swindon Supermarine, whilst Bashley and Brixham AFC go head-to-head with one place and five points separating them. Currently occupying the last relegation place, Melksham Town go to Hartpury, whilst Falmouth Town are on the road to Sporting Club Inkberrow, who sit safely in the middle of the table in what is their first-ever season at this level.

Elsewhere, Bideford AFC will be looking to extend their unbeaten run as they go to Larkhall Athletic, whilst Westbury United and Bristol Manor Farm face off. Even though only one place separates them, the home side are ten points better off.

**AYLESBURY UNITED
v STOTFOLD**

An excellent 2-0 away win at play-off chasing Thame United on Easter Monday was enough to see Aylesbury United secure safety in Division One Central.

It was their second victory in the last three games, which also included a 10-1 away triumph at Rayners Lane.

"The 10-1 win was a bit of a weird one," admitted Finlay Reeves, who got his name on the scoresheet. "We went into the game not knowing what to expect.

"Despite the fact that they have already had relegation confirmed, they still managed to give Thame United a good game in their previous outing, but we started the game strongly, got an early goal and then the confidence built from there.

"We were very clinical; we managed to get ourselves seven goals up at half-time and then made it to double figures by the end. There's always room for improvement, though, and we reflected upon that at the end as we prepare for the tough Easter weekend ahead.

"For me personally, coming into a Step 4 environment has been challenging, but also enthralling. I think I've managed the step up quite well; I've just been focused on scoring goals and helping the club remain at this level as it's where it belongs.

"Overall results-wise, it has been up and down but we've done well to be where we are now and secure our status for next season. We've fought for each other and the vibe within the squad is really positive and we're hoping to get a few more results before the season ends now.

"This league is so exciting and unpredictable; results can genuinely go either way every week. I think that gives every team confidence going into each game week and that makes fixtures competitive and exciting to watch.

"You have to fight hard for every point. Another thing I've been so impressed by is the fans of each team; they are so passionate and have a genuine love for their team. It's great to see and always good to play in front of.

It's Step 4 football again for Aylesbury United and they celebrate with a Legends Day theme to Saturday's game

"A main target of mine going into these final games is to reach double figures in goals. Currently I'm only two away, so fingers crossed I can reach it! It will be a proud moment for me considering I only took the step up six months ago.

"As a team, the obvious goal was to avoid relegation, which we have done. To do it by going to Thame and winning, made it extra special and shows that we are capable of taking on anyone at this level on our day.

"This club is special and the fans deserve to see us competing again in Step 4 next season."

Saturday's home game against Stotfold will be a double celebration as it has also been designated as Legends Day.

The club and their Supporters Trust (21CD) have joined forces to host this commemorative event to honour the individuals who have helped to shape the club's long and proud history.

The event offers a unique opportunity for fans to reconnect

with their heroes and share in the club's storied past. There will be an opportunity for fans to not only meet the legends but a fascinating memorabilia exhibition will be on display, which will tell the story of the Ducks.

"This Legends Day is a defining moment for our club as we strengthen our commitment to the local area," said a spokesperson for 21CD. "We invite everyone from lifelong 'Ducks' fans to families looking for a great Saturday out to join us as we celebrate our history and look toward a bright future together."

Visitors Stotfold arrive one place and three points above them in the table. They've not made the top half challenge that they hoped they would this season and go into the game on a run of four games without a win, which includes a 1-0 home loss at the hands of Hitchin Town on Monday afternoon.

THE REST OF THE ACTION

Leighton Town are closing in on the title

This is one of two divisions where the title race is still open, but Leighton Town are on the verge of claiming it as they return to home action with the visit of already-relegated Rayners Lane. Behind them, Hitchin Town also have home advantage this weekend as they do battle with mid-table MK Irish.

From the pack below them, Biggleswade FC travel to another side who are already relegated in Northwood, whilst Biggleswade Town entertain middle of the table, Flackwell Heath. Currently occupying the last play-off berth, Thame United will be looking to bounce back from defeat at the hands of Aylesbury United in their last game as they take on Welwyn Garden City, who sit inside the top ten.

Sitting one place out of the play-off zone are Hertford Town, they are three points off, but had a commanding 3-0 victory over Welwyn Garden City in their last game where they scored their

100th League goal. On Saturday they go to Marlow, who are in and around the middle of the table having reached the 50-point mark.

Down in the lower reaches of the table, Enfield became the fourth and final club to have relegation confirmed on Thursday evening after London Lions beat AFC Dunstable. They host mid-table Beaconsfield Town at the weekend.

Elsewhere, Hadley and Barton Rovers meet as both clubs reflect on a campaign where they sit inside the top ten but shy of the play-off places, which they occupied last term. Leverstock Green have had a season of progress and they take on London Lions, who look like they have done enough to maintain their Step 4 status, which they worked so hard to get. Both teams have worked hard this season. Finally, Ware have home advantage as they take on bottom club, AFC Dunstable.
